**Fund Raising?
MAKE IT FUN!**

The success of this program stems from the fact that you are giving your contributors something of value for their contribution.

Advantages of our program:

- ❖ Your organization keeps \$20.00 for every \$30.00 coupon you sell.
- ❖ Your sponsor receives a quality service for their donation.
- ❖ Car wash coupons can be used by almost anyone.
- ❖ We guarantee customer satisfaction.
- ❖ Outstanding fund raising capabilities!

Dear Interested Fund Raiser Participant,

Raising the needed funds that enable your organization to operate can be difficult. Throughout the year, *Octopus Car Washes* have been approached by numerous organizations seeking contributions to support their financial needs. We attempt to help them all, and we believe our fund raising program will enable us to help even more.

At *Octopus Car Wash* we pride ourselves on our community awareness and service. We recognize the importance of your organization and the feeling of safety and security it gives to the community.

We have developed a program that allows you to raise money for your organization while giving the community a service they can use. A sample coupon has been included. We have found that this method of fund raising is more readily accepted by the general public than asking for a cash contribution. Your organization keeps up to 60% of the total dollars you collect. We hope this program will be a great success with your organization.

We hope you consider our program as a future fund raising activity. *Octopus Car Wash* would like to work with you, in attaining your fund raising goals. If you have any questions or would like more details about this opportunity, please contact us at 544-0306 or 731-6478 and ask for the location manager. Thank you for your consideration and good luck with your present fund raising activities.

Sincerely,
Management and Staff
Octopus Car Washes

STEP-BY-STEP PROCESS TO A HUGE SUCCESS!

1. Decide when you would like to do your fund raising program. Octopus gives you a two-month “window” to sell.
2. Decide how many coupons you think you can sell. We have found, on average, each person sells five (5). If your organization is ambitious and thinks they can sell more, you may order additional coupons. The sky is the limit. Example:
20 people selling 5 coupons each = 100 coupons needed.
3. Call in your order and receive a tentative pick-up date.
4. Sell, Sell, Sell !!!!
5. Sell all 100 Coupons and your organization will earn \$2,000.00

YOU’RE ORGANIZATION BENEFITS BY...

- ❖ Easy way to raise large sums of money quickly.
- ❖ Quick no-mess, nothing to buy or spoil.
- ❖ Joining forces with a well established business.
- ❖ Octopus has done all the expensive and time consuming paperwork, coupons, etc.
- ❖ Nothing to lose but lots to gain!
